

STAKEHOLDER WORKSHOP: THE FISHERIES OF CHARLOTTE HARBOR AND SARASOTA BAY

- 1) What are the biggest issues in local fisheries?**
- 2) How could stakeholder's involvement improve local fisheries management?**

We need your input to answer these questions and to identify local perspectives on fisheries!

**Workshop #1: Thursday June 20, 2013, 6 pm.
Rutenberg Park, Fort Myers, FL**

**Workshop #2: Tuesday June 25th, 2013, 6 pm.
Mote Marine Laboratory, Sarasota, FL**

**Workshop #3: Wednesday June 26th, 2013, 6 pm.
Laishley Marina, Punta Gorda, FL**

These workshops are the first in a series of events organized by the University of Florida as part of a research project on stakeholder involvement in local fisheries management.
